Matthew 24:1-14  
Eschatology  
(The study of last things)

## Biblical Truth of Last Things

- False doctrines
  - **Premillennialism:** Corrupts the nature of the kingdom and God's promises to Israel.
    - Makes it temporal. cf. Matthew 18:36

## Biblical Truth of Last Things

- False doctrines
  - **Preterism** (Realized Eschatology. AD 70): Unduly focuses on the end of the Jewish economy and concludes we live in the "eternal days."
    - Uses the OT prophets to interpret NT rather than the other way around. 1 Peter 1:10-12 (2 Peter 1:20)
      - "This is that ..."
    - Distorts the covenants, the promises, the church, and the Christian's hope. 2 Timothy 2:14-18; 2 Peter 3:16-18
      - Makes them ALL temporal
